LOTS DOING THIS WEEK

AN UNUSUAL AMOUNT OF HIGH CLASS AMUSEMENTS.

County Fair Better Than Ever—Big
gest Show to the Season at
Airdome.

From present indications this week
will fair to be lively here in the
amusement line. The annual celebra
tion of the county fair with all of its
activities and a big attraction seen
for the week by Manager Lusk
is the Airline. This latter mentioned
is of entertainment being in the form of
the Curtiss Comedy company of twenty
five artists and a clowns band
and orchestra. The company under
the management of MC. Curtiss is one
of the foremost of its kind in the
country. The organization produces
only high-class comedy plays, inter
actions, a variety, drama, musical
selections, etc. The opening play Mon
day night, Credit Lorraine, or "All
For Love," is one that will demon
strate the talents of this excellent
organization, and is a play that should
be seen by all admirers of the high
class, clean, refined comedy drama in
this play an excellent assortment of
sew-drools will be displayed also some
beautiful stage settings with special
scenes belonging to the company. By
the way of this let it also be mentioned
that they carry a car load of spec
ial scenery and electrical effects, thus
assurance a perfect mounting of
each and every play presented.

Chas. McAdams, Jr., representa
tive of the Curtiss attraction
was in town yesterday and wagers
a few dollars that the Airline
would be crowded every night, and
it was no exemption in his state
ments of the convincing strength of
this excellent attraction, that most of
those who doubted these statements
are now ready to produce even
better than the show arrives. A special
telegram from the management of the
Paris Airline, where the company has
been playing for the last two weeks,
saying: "The very best attraction
Paris has had in years" has already
eliminated any skepticism that may
have existed in this regard.

The personnel of the curtain company
contains the names of high class
artists who have been together
for the past five years. The hand
some leading man, Mr. Geo. Ruth,
is an artist of the first type. The lead
ing lady, Miss Helen Forrester, an art
ist of exceptional beauty and magnificence.
She was starred in "The Bold
of Yesterday" throughout the East
couple of years ago. Miss Forrester
is in every sense of the word a lead
ing woman to her finger tips. This
will be seen Monday night, however,
when Mr. R. Barbour, Mr. Edmund
Bush, Miss Phoebe Shumway, Miss
Phoebe Stricker, Miss Jenny Adney,
Mr. A. Way, Mr. Phillips Page, Mr.
W. Brown, Mr. R. Strickland, Mr.
Clyde Abbott, Miss Neil Speare, Mr.
Claude Abbott, Mr. Curtiss and the
other dramatic people, and the big
band and orchestra will give an
entire impression.

The Curtiss orchestra, under the
direction of Mr. B. S. Stevenson, an
experienced musician, and in the selec
tions mighty prior to the performances,
Mr. Stevenson and his associates
have always been greeted by
volumes of applause testifying to the
universal popularity of good music.
The modest program Monday night
contains the names of several new
numbers, two songs, waltzes and
mazurkas that are certain to become
popular here and even if you do not
care to see the show you might stop
down near the Airline and listen to
the voices given gratuitously from
convenience until eight-thirty each
evening.
